

## **Introducing our new media gallery...**

**With a new summer, comes a new media gallery, check out some of the exciting features we have added this year!**

- **“Like” pictures and post them to your facebook wall**
- **Create custom albums and e-mail a direct link to them**
- **Send pictures directly to Digibug for professional printing**
- **View pictures in an enhanced slideshow**
- **Download videos in multiple sizes**

**We've included some instructions below to help you get started.**

**Please note that currently the below browsers are supported:**

## “Like” pictures and post them to your facebook wall

1. Navigate to the photo that you want to “like”
2. Click the “like” button

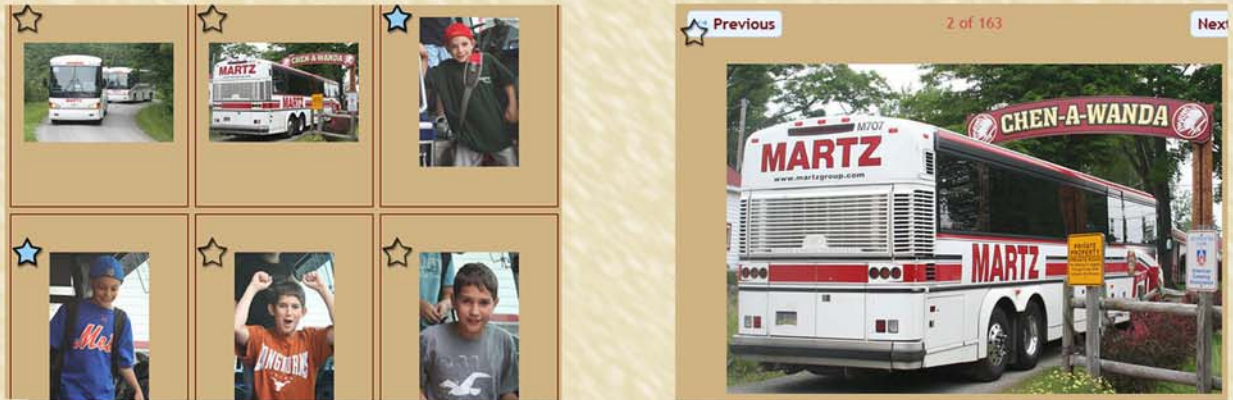

3. You will be prompted to login to facebook if you are not already
4. See a link to the picture appear on your wall

# Create custom albums and e-mail a direct link to them

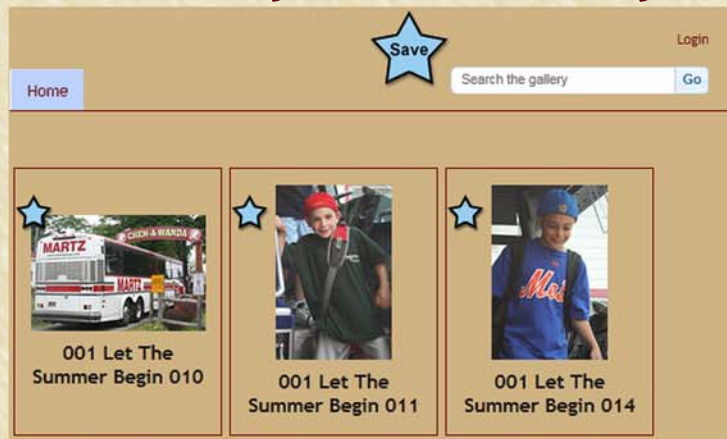

## 1. When in an album, “star” thumbnails (left) or single images (right)

- 2. Navigate around the gallery, and “star” as many pictures as you want
- 3. When you have all the pictures you want, click the “View” star at the top

- 3. You will then see your custom collection of pictures
- 4. Click “Save” to e-mail a link to your custom album to your friends and family
